Dear Sir,

I have great pleasure in sending you a complimentary copy of the 'Index to Indian Legal Periodicals' covering the period January to June 1963. It is proposed to bring out two half-yearly issues of the Index every year and after a few years to consolidate them in one volume. I shall be very thankful to you, if I could have your comments on this publication. I would like to know, particularly, whether you find the publication useful. Any suggestion for including more periodicals for the purpose of indexing, for making additions to the list of subject-headings, or for making the publication more beneficial would be most welcome.

If you find the publication useful, I would request you to send a sum of Rs. 2.00 as your subscription for the next issue of the index which will be released by the end of next month.

Yours faithfully,

M. P. Jain
