for the Indian Law Institute, Bhagwan Das Road, New Delhi-1.

Before 1965 'annual survey of Indian law' was a part of our quarterly publication—*Journal of the Indian Law Institute*. Since that year it is being published annually as a separate volume. From 1971 onwards we are introducing the system of volume numbers. Counting the first volume published in 1965 as Volume I, this Survey is being numbered as Volume VII. The mode of citation is also being accordingly changed.

No particular sequence has been observed in the arrangement of the articles included in this Survey. To avoid unnecessary delay, these were sent to the press, as far as possible, in the order in which they were received from the authors.

The Editors acknowledge the help rendered by (Mrs.) Kusum Kumar, Research Associate at the Institute, in editing a few articles and correcting their proofs.
