

ADDENDA AND CORRIGENDA.

[N. B.—In order to place this book in the hands of the public immediately after the enactment of the Government of India Act 1935, the manuscript was sent to the press when the India Bill was half-way through Parliament. The amendments made to the Bill, since, are specified below. Part III of this book read with these amendments, gives a correct and complete picture of the New Constitution, under the Government of India Act 1935 as it finally emerged from Parliament. Typographical errors in the book are also rectified.]
