

FOREWORD

This study of the Indian Law Institute on "Administrative Procedure in Labour Conciliation" is the first research study to be published. It is also the first of a series of studies on the project on Administrative Procedure and Adjudication followed in the major Central Government Departments. The Institute hopes to publish other studies on the project in due course.

Mrs. Alice Jacob, Research Officer of the Institute, worked on this subject under the guidance of Prof. A. T. Markose, Research Director of the Institute.

The Institute takes this opportunity to thank the Ministry of Labour of the Government of India and Shri P. M. Menon, its Secretary, for sanctioning the necessary facilities for the study without which a study of this nature based on authoritative primary data would not have been possible. .

The views and suggestions expressed herein are those of the study team mentioned above.

B. JAGANNADHADAS,
Executive Chairman.
