

PREFACE

The present study on Water (Prevention and Control of Pollution) Act, 1974 is one in the field of environmental law in which the Institute is engaged at the request of Ministry of Environment and Forests, Government of India. The Water (Prevention and Control of Pollution) Act, 1974 can be regarded as a breakthrough in environmental legislation. This is the fifth study after the ones on The Air (Prevention and Control of Pollution) Act, 1981, The Environment (Protection) Act, 1986, The Public Liability Insurance Act, 1991, and The Environment Law: The Procedural Options.
