

PREFACE

Through uninterrupted publication of Journal of Indian Law Institute, Annual Survey of Indian Law and other publications such as Legal Research and Methodology, Labour Law and Labour Relations, Indian Legal System and various other books related to law, ILI promotes legal research and publish studies to disseminate legal information. The ILI library is one of the leading and highly resourceful law libraries in India which receives about three hundred legal periodicals annually.

The Index to Indian Legal Periodicals is published yearly by ILI, indexing of periodicals, articles and other materials -pertaining to law and related areas. The articles are comprehensively and completely indexed under broad subject heads. Each entry in the index covers title, sub-title, author, name of the periodical, month, issue no., volume no. and page no. To facilitate specific search relating to subjects and authors, keyword index and author index are given separately. The numbers given against the author in the author index and each key word index indicate the serial number of the articles. The index is a quintessential tool that provides an up-to-date, exhaustive and extensive research aid for academic, legal professionals and law practitioners, researchers and students.

The index is prepared by Mr. Bhag Singh, Librarian and assisted by Mr. Ajit Kumar, Library Assistant and Mr. Akash, Jr. Library Assistant-I of the Institute.
