

PREFACE

The index to Indian Legal Periodicals, published yearly by the Indian Law Institute, indexes periodicals (including year books, selected foreign articles and other annual publications) pertaining to law and related fields being received by the ILI Library. Articles, and other materials are included irrespective of the length of the material.

The index may be termed as an attempt to provide an up-to-date, comprehensive and exhaustive index that would be useful for researchers, students, academics, law practitioners. Articles are indexed under broad subjects. 'Keywords Index' and 'Author Index' are given separately to facilitate the specific search relating to specific subjects and author. 'See' and 'See also' references are provided wherever necessary to facilitate the location of the material. Given number against each Author in the Author Index and each keyword in the Keyword Index indicate the serial number of the subject articles.

The Index is prepared by Shri Bhag Singh, Librarian and assisted by Akash, Himanshu and Gurjinder Singh of the Institute.
