

PREFACE

The Index to Indian Legal Periodicals, published yearly by the Indian Law Institute, indexes periodicals (including Year Books and other annual publications) pertaining to law and related fields that are being received in the ILI Library. Articles and other material are included irrespective of the length of the material.

The Index may be termed as an attempt to provide an upto-date, comprehensive and exhaustive research aid that indeed would be useful for researchers, students, academics, law practitioners in the realm of law and justice. Articles are indexed under broad subjects. Keywords Index and Author Index are given separately to facilitate specific search relating to subjects and authors. 'See' and 'See also' references are provided wherever necessary to facilitate the location of the material. The numbers given against each Author in the Author Index and each keyword in the Keyword Index indicate the serial number of the articles.

The Index is prepared by Shri Bhag Singh, Librarian and assisted by Shri Himanshu Sethi & Shri Gurjinder Singh of the Institute.
