

## APPENDIX XI.

### Suggestions for the definition of the terms "European" and "Anglo-Indian."

---

#### 1. "EUROPEAN."

Every person of European descent in the male line, being a British subject and resident in British India, who either was born in or has a domicile in the British Isles, Canada, Newfoundland, Australia, New Zealand or the Union of South Africa, or whose father was so born or has or had, up to the date of the birth of the person seeking registration as an elector, such a domicile.

#### 2. "ANGLO-INDIAN."

Every person, being a British subject and resident in British India, of (a) European descent in the male line who is not comprised in the above definition, or (b) mixed Asiatic and non-Asiatic descent, whose father, grandfather or more-remote ancestor in the male line was born in the continent of Europe, Canada, Newfoundland, Australia, New Zealand, the Union of South Africa or the United States of America, and who is not entered in the European electoral roll.

NOTE.—In applying the above definitions it is proposed that the declaration of an elector that he is a European or Anglo-Indian shall be accepted by the officer charged with the preparation of the electoral roll, unless he is satisfied that the declaration is not made in good faith, in which case the officer shall record in writing his reasons for refusing to accept the declaration of the elector.

The proposal to enfranchise persons domiciled elsewhere than in the United Kingdom will be subject to any action which may be taken in view of the reciprocity resolution passed at the Imperial Conference held in 1917.
