|---|-------|
| CHAPTER I.—INTRODUCTION.  | 1-5   |
| Appointment of the Committee.   |       |
| Terms of Reference.   |       |
| Method of Enquiry.  |       |
| Plan of the Report.   |       |
| CHAPTER II.—REQUIREMENTS OF RAW JUTE AND MESTA .                      | 4-11  |
| Requirements during the First Plan Period.                            |       |
| Requirements during the Second Plan Period.                           |       |
| World Demand for Jute Goods.  |       |
| India's Position in World Markets.                                    |       |
| Internal Consumption of Jute Goods.                                   |       |
| Total consumption Requirements in 1960-61.                            |       |
| Village Consumption .   |       |
| Year-wise Break-up of the Requirements during the Second Plan Period. |       |
| Variety-wise Requirements of Raw Jute and Mesta.                      |       |
| Grade-wise Requirements of Raw Jute and Mesta.                        |       |
| Requirement for Special Bright Hessian.                               |       |
| CHAPTER III.—AVAILABILITY OF RAW JUTE AND MESTA .                     | 12-23 |
| Availability during the First Plan Period.                            |       |
| Availability during the Second Plan Period.                           |       |
| Production of White Jute and Tossa Jute.                              |       |
| Demand and Supply position of Raw Jute during the Second Plan period. |       |
| Deficiency of Raw Jute and Mesta.                                     |       |
| Grade-wise production of Raw Jute and Mesta.                          |       |
| Classification of jute-growing areas.                                 |       |
| Provision of retting tanks.   |       |
| Improvement of water in retting tanks .                               |       |
| Soil survey.  |       |
| Extensive cultivation.  |       |
| Intensive cultivation.  |       |
| CHAPTER IV.—IMPORTS OF RAW JUTE .                                     | 24-27 |
| Imports since Partition.  |       |
| Variety-wise imports.   |       |
| Import of long White Jat Jute.  |       |
| Import of Cuttings.   |       |
| Jute mills' purchase policy of raw jute.                              |       |
| Import policy to be followed in future.                               |       |
| Staggering of imports.  |       |
| Need for variety-wise and grade-wise information about imports.       |       |

|--|---------|
| CHAPTER V.—MESTA . . . . .   | 28 - 34 |
| Varieties of mesta .   |         |
| Cultivation of mesta .   |         |
| Production of mesta .  |         |
| Problems of mesta production .   |         |
| Admixture of mesta with jute .   |         |
| Mesta mixed goods and foreign markets .  |         |
| Quality of Indian Sacking .  |         |
| Regulation of the production of mesta .  |         |
| Replacement of jute by mesta .   |         |
| Encouragement of mesta production  |         |
| Bimli production in Andhra .   |         |
| Bimlipatam jute in Madras and Mysore .   |         |
| Mesta production in Bombay and Madhya Pradesh                                      |         |
| Plant protection measures .  |         |
| CHAPTER VI.—PRICE OF RAW JUTE . . . . .  | 35 - 44 |
| Importance of price of jute .  |         |
| Need for fixation of minimum price of jute .                                       |         |
| Cultivator's point of view .   |         |
| Relationship between jute/paddy prices .   |         |
| Relationship between raw jute and jute goods prices .                              |         |
| Cost of production of jute .   |         |
| Parity between raw jute and paddy prices .   |         |
| Minimum, reasonable and fair prices of jute .                                      |         |
| Minimum prices in up-country markets .   |         |
| Methods of supporting minimum prices .   |         |
| Buffer Stock Operations .  |         |
| Purchase by Co-operative Marketing Board or a Marketing Association .              |         |
| Buying Programme of the Mills .  |         |
| CHAPTER VII.—MILLS' STOCKS OF RAW JUTE . . . . .                                   | 45 - 48 |
| Purchase of raw jute by mills .  |         |
| Stocks of raw jute with mills .  |         |
| Minimum safe stocks .  |         |
| Regulation of mills' stocks of raw jute .  |         |
| Programme .  |         |
| Long-term solution .   |         |
| Co-operative Marketing Board .   |         |
| CHAPTER VIII.—IMPROVEMENT OF QUALITY AND MARKETING OF RAW JUTE AND MESTA . . . . . | 49 - 54 |
| Tamarind water treatment .   |         |
| Import duty on bleached jute goods, levied by U.S.A. .                             |         |
| Possibilities of increasing area under jute and mesta .                            |         |
| Need for intensive measures .  |         |
| Top dressing .   |         |
| Improved seeds and cultural practices .  |         |
| Pressing and baling of jute .  |         |
| Grading of jute .  |         |

|  |        |
|--|--------|
| Displaced persons and quality of jute.                             |        |
| Premium for good quality jute.                                     |        |
| Co-operative Marketing Societies.                                  |        |
| Retting water facilities.  |        |
| CHAPTER IX.—SUMMARY OF CONCLUSIONS AND RECOMMENDATIONS . . . . .   | 55—62  |
| Minute of Dissent by Sarvashti S. A. Teckchandani and A. P. Mathur | 63     |
| APPENDICES. . . . .  | 64—127 |

#### Appendices A.

- A-I.—Copy of Press Note No. 11·05/6442, dated 14-6-57.
- A-II.—Ministry of Agriculture (I. C. A. R.) O. M. ¶ No. 5-16/57-Com. II, dated 7th March, 1957.
- A-III.—Ministry of Agriculture (I. C. A. R.) Memorandum No. F. 5-16/57-Com. II dated 25th May 1957.
- A-IV.—Interim Views of the Committee.
- A-V.—Note received from the Director, Jute Agricultural Research Institute Regarding Removal of Shyamla Colour of Jute Fabrics.
- A-VI.—Areas growing good quality jute.
- A-VII.—List of persons interviewed by the Committee.

#### Appendices B.

- B-I.—Area, production and yield per acre of Raw jute.
- B-II.—Area, production and yield per acre of Mesta.
- B-III.—Variety-wise production of jute in different States during 1956-57.
- B-IV.—Grade outturn of jute during 1954-55 and 1955-56.
- B-V.—Arrivals of Raw Jute at Calcutta and other mill stations.
- B-VI.—Purchases of Raw Jute by Mills in India.
- B-VII.—Monthly purchases of Raw Jute by IJMA mills at Calcutta.
- B-VIII.—Consumption of Raw jute by mills in India.
- B-IX.—Indian Domestic Consumption of Jute as estimated by I. J. M. A.
- B-X.—Stocks of Raw Jute with mills in India.
- B-XI.—Production of jute goods in India.
- B-XII.—Consumption of jute manufactures in India.
- B-XIII.—Stocks of jute manufactures with IJMA mills.
- B-XIV.—Exports of Jute goods from India.
- B-XV.—Country-wise exports of jute goods.
- B-XVI.—Export duties on jute manufactures in recent years.

- B-XVII.—Ratio of wholesale price of raw jute to wholesale price of Rice and Paddy in different States.
- B-XVIII.—Jute and paddy cost ratio and price ratio.
- B-XIX.—Average cost of production of jute.
- B-XX.—Fair price of raw jute on the basis of the Jute Enquiry Commission's suggestions.
- B-XXI.—Calcutta Landed cost of jute for 1955-56.
- B-XXII.—Month-end wholesale prices of Assam Jat Variety of raw jute at Calcutta.
- B-XXIII.—Month-end wholesale prices of Raw jute at Belakoba (West Bengal).
- B-XXIV.—Month-end wholesale prices of Raw jute at Nowgong (Assam).
- B-XXV.—Month-end wholesale prices of Raw jute at Purnea (Bihar).
- B-XXVI.—Month-end wholesale prices of Raw jute at Kendrapara (Orissa).
- B-XXVII.—Average wholesale prices of Mesta (Garsat) at Calcutta.
- B-XXVIII.—Month-end wholesale prices of Hessian 40" × 10 oz. at Calcutta.
- B-XXIX.—Month-end wholesale prices of Hessian 40" × 8 oz. at Calcutta.
- B-XXX.—Month-end wholesale prices of Sacking—B Twill at Calcutta.
- B-XXXI.—Number of Jute Mills and Looms in India.
- B-XXXII.—Working Hours of Jute Mills in India.
- B-XXXIII.—Indo-Pakistan Trade Agreement relating to Raw Jute.

#### Appendices C.

- C-I.—Area, production and yield per acre of Raw jute in Pakistan.
- C-II.—Supply and distribution of Pakistan jute from 1948-49 to 1955-56.
- C-III.—Stocks of Raw Jute in Pakistan.
- C-IV.—Country-wise exports of Raw jute (including cuttings) and Mesta Fibre from Pakistan.
- C-V.—Country-wise exports of jute cuttings from Pakistan.
- C-VI.—Production, internal consumption and stocks of jute goods in Pakistan.
- C-VII.—Prices of Raw jute in important centres of Pakistan.
- C-VIII.—Average monthly prices of jute manufactures in Pakistan.
- C-IX.—Export duties on Jute in Pakistan.
- C X.—Number of Jute Mills & Looms in Pakistan.

#### Appendices D.

- D I.—Area, production and yield per acre of Raw jute in different countries of the world.

(V)

- D-II.—World production of jute manufactures.
- D-III.—Imports of Raw jute into the Chief Importing Countries.
- D-IV.—Exports of Raw jute from the Chief Producing Countries.
- D-V.—Imports of jute manufactures into certain countries.
- D-VI.—Exports of jute manufactures from the Chief Exporting Countries.
- D-VII.—Wholesale prices of Raw jute in important markets of the world.
- D-VIII.—Wholesale prices of jute goods in important markets of the world.
- D-IX.—Percentage imports of Burlap into U.S.A. from different countries.
- D-X.—Number of Mills and Looms in different countries of the world.

DECIMAL COINAGE—CONVERSION TABLE . . . .
